The image features a dark gray background with a repeating geometric pattern of black lines forming a series of interlocking diamonds. In the lower-left quadrant, the text "W/42" is displayed in a light pink, sans-serif font. The "W" is stylized with a wide, flat top and a sharp, downward-pointing bottom. The "42" is positioned to the right of the "W", with the "4" having a vertical stem and a horizontal bar, and the "2" being a simple, rounded shape.
